

The Beatles

About

It was a British rock band formed in the city of Liverpool, England.
A band that was and still is an icon of rock culture, from 1960 to the present day.

Members

- **John Lennon**
- **Paul McCartney**
- **George Harrison**
- **Ringo Starr**

My Favorite Albums

- [Abbey Road - 1969](#)
- [Magical Mystery Tour - 1967](#)
- [Help! - 1965](#)

No discussion, these are the best records in the band.

Important Additional Information:

So, this page was developed as an activity of the Introduction to HTML Course at Alpha EdTech, by the student [Vitória Feitosa](#). All opinions about the student's musical preference are personal options, and it's okay. Thank you for understanding. :)
